Mutts and crossbreeds are hardly the same thing. Designer dogs like these might be cute and, possibly more importantly, allow people to make up cheesy portmanteaus, but it's the poor mutts that are dying in the shelters. Mutts are great, and they need your love far more. List of dog crossbreeds - Wikipedia These are dogs created deliberately by crossing two purebred dogs. Sometimes known as "designer dogs", and often given portmanteau names derived from those of the parent breeds. There is a very large number of possible combinations, and the following table only lists those most often bred deliberately.

Dog crossbreed - Wikipedia Crossbreed dogs or designer dogs are dogs which have been intentionally bred from two or more recognized dog breeds and not from dogs with no purebred ancestors, but have not been artificially bred to each other enough to breed true and be recognized as a breed in their own right.
